

REMARKS

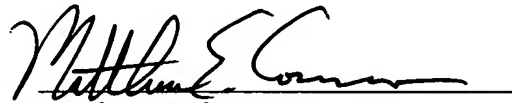

Claims 1 and 4-9 are rejected under 35 USC §103 as being unpatentable over Yoo, U.S. 2004/0126057. In addition, claims 2 and 3 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten into independent form.

In response thereto, Applicants have now amended claim 1 to include the limitations of claim 2. Thus, claims 1 and 3-9 are now deemed to be allowable.

The application is now considered to be in condition for allowance, and an early indication of same is requested.

If the Examiner has any questions regarding matters pending in this application, please feel free to contact the undersigned below.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Matthew E. Connors", is written over a horizontal line.
